

Get to Know the BTC Library

You will be a more successful student by using the library.

"Several studies point to increased academic success when students use the library. The analysis ... shows that students who use the library in some way achieve higher levels of academic success (e.g., GPA, course grades, retention) than students who did not use the library."

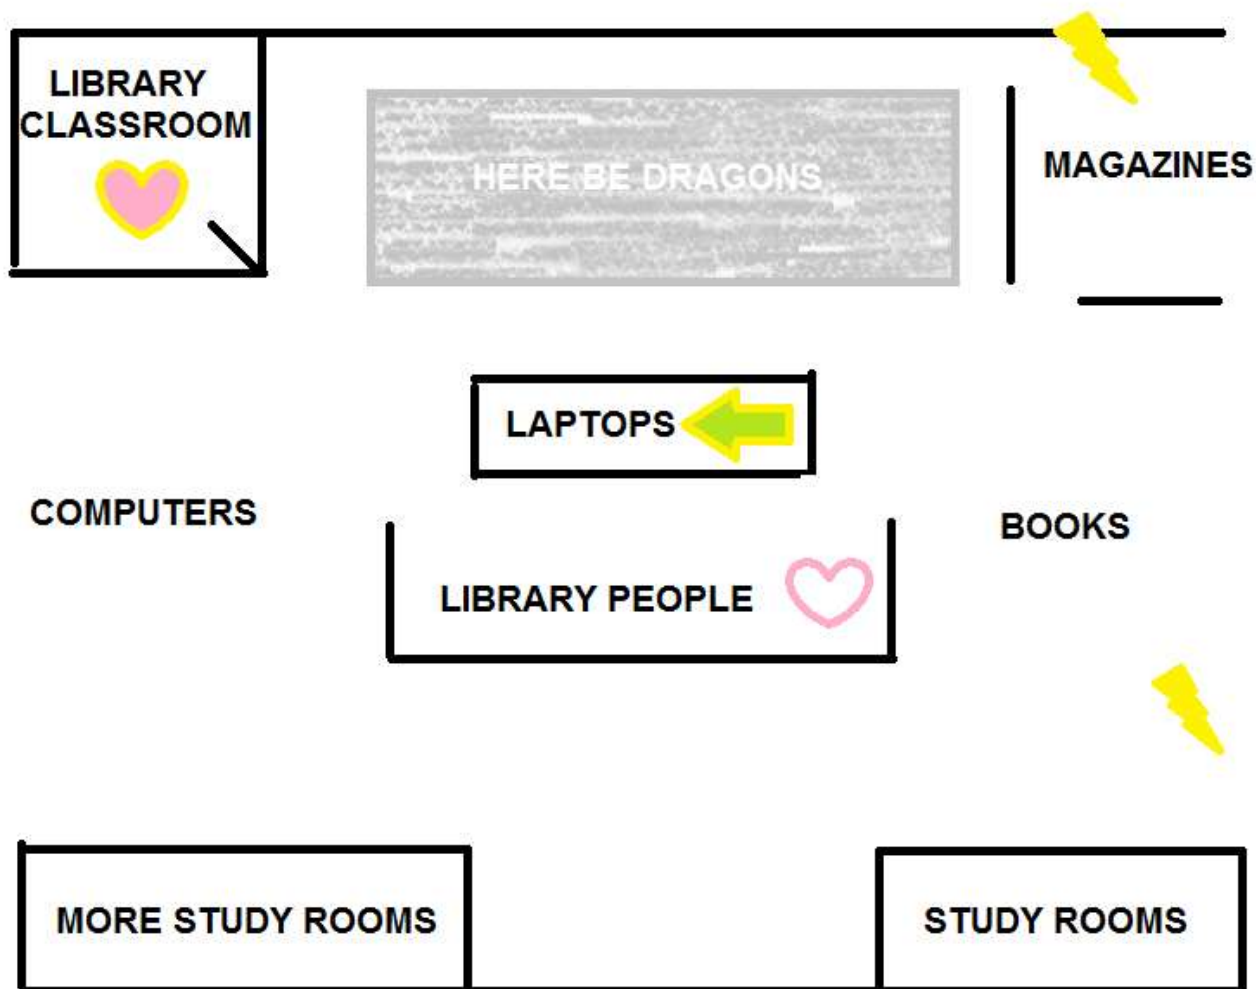

Association of College and Research Libraries. ["Documented Library Contributions to Student Learning and Success: Building Evidence with Team-Based Assessment in Action Campus Projects."](#) Prepared by Karen Brown with contributions by Kara J. Malenfant. Chicago: Association of College and Research Libraries, 2016
